Promote Better Patient Compliance

light years beyond "FROZEN PEAS"®

In the early nineties, Medico International Inc.® partnered with leading oral and maxillofacial surgeons to develop a new generation of hot/cold therapy. Our Cool Jaw® product utilizes a unique, patented pocket design that allows patients to easily fulfill their post-operative care instructions without compromising compression. Specifically designed for oral and facial surgeries, the Cool Jaw product line includes facial wraps as well as a variety of gel packs.

Build Your Cool Jaw® System

1

Choose Your Wrap

Choose from 7 different styles of Cool Jaw facial wraps. From our Econo Wrap to our Soft Stretch Split Strap, all wraps are designed to be used with our array of gel packs.

2

Choose Your Gel Packs

Cool Jaw gel packs are specifically designed to fit in our facial wraps. Our cold therapy gel packs freeze solid and provide up to an hour of cool relief. Alternatively, our hot/cold therapy gel packs remain flexible when frozen. They can also be heated providing added versatility.

3

Choose Your Customization

Customize your facial wraps and gel packs with your practice logo and information for long lasting promotion. Choose from a variety of customization options.

1 Facial Wraps

T-800 Cool Jaw® Soft Stretch Wrap - White (24/case)

T-800C Cool Jaw® Soft Stretch Wrap with Chin Cup

White, Blue, Black (24/case)

Our T-800 and T-800C Soft Stretch Wraps are made with an elegant, satin spandex fabric that is extremely soft on the patient's skin. They feature a continuous outer sleeve that extends cheekbone to cheekbone to ensure full coverage over the surgical area. The T-800C wrap also features a built-in chin cup that helps maintain proper positioning and reduce slippage.

T-807

T-807-2B

T-807BLA-2B

T-807 Cool Jaw® Econo Wrap - White, Black (25/case)

The Econo Wrap is a continuous poly-blend sleeve that wraps around the head and features two rows of Velcro® closure at the top of the head for an adjustable fit. Econo wraps are bulk packed.

2 Gel Packs

T-420 Cool Jaw® Hot/Cold Gel Pack

3" x 6" (48/case)

The T-420 Hot/Cold Gel Packs are sturdy, reusable gel packs that offer two advantages – they remain pliable when fully frozen and can be heated.

T-425 Cool Jaw® Hot/Cold Gel Bead Pack

3" x 6" (48/case)

T-425 Hot/Cold Gel Bead Packs shape to the patient's face, allowing for continuous hot/cold therapy. These reusable gel packs can be used alone or in combination with our patented wraps.

T-400 Cool Jaw® Clear Cold Gel Pack - 3" x 5" (50/case)

T-410 Cool Jaw® Clear Cold Gel Pack - 3" x 4" (100/case)

These sturdy gel packs freeze solid and remain cold for extended periods of time.

T-430 Cool Jaw® Soft-sided Round Gel Pack - 4" Dia. (50/case)

Reusable soft-sided gel packs remain flexible when frozen, allowing for uniform cold therapy. They feature one soft-sided surface that shields skin from direct contact with the frozen pack.
